

Dear Colleagues:

The Northern West Virginia Section of SPE is proud to host the 2021 SPE Eastern Regional Meeting at Nemaquin Woodlands Resort in Farmington, PA on November 2-3, 2021. We know that your company and its employees have multiple options when selecting conferences to sponsor and attend so we take your support of this conference very seriously. We count on our sponsors to help cover the costs of this event so that we can maximize the scholarships given to WVU students. Since its inception, the chapter has given more than \$50,000 in scholarship funds including \$30,000 in the last ten years. With your support, we will be able to increase our gifts in the years to come.

We are excited to hold the meeting at a new venue and we think combining the technical courses you have come to expect from SPE with in-depth industry panel discussion and the world class amenities of Nemaquin, this event will appeal to new and longtime attendees.

Sponsors will receive continued exposure from the time of sponsorship through the meeting. We will utilize our basin wide meetings, website and social media to thank and advertise our partners ahead of the event. At the meeting, sponsors will find their companies advertised in the registration area and exhibit halls as well recognized at the keynote luncheon and social functions. To maximize the benefit to our sponsors, exhibitors and attendees the meeting will continue to evolve to meet the needs of all of those involved.

We thank you for your continued support and interest in SPE and its role in ensuring strong, technically competent leaders succeed in our industry for years to come. We look forward to seeing you at Nemaquin in November!

Callie Fry
